### Student Leaders Newsletter

January has gone by in the blink of an eye. As sponsors, we cannot be more proud of our student leaders and the organization they lead. They are all morphing into such responsible, self sufficient and self starting young adults.

They are learning how to work in groups, delegate, and work in professional environments. We can't thank our SACBS community enough for all their support and participation in all that our students do. It sparks a fire in them and motivate them to work even harder!

We hope you enjoy the read!

Sincerely,

# Student Council

**Grayson Young**

STUDENT COUNCIL PRESIDENT

Dear SACBS community:

Student Council has done a lot in the January. We coordinated and lead National School Choice Week, ran our Souper Bowl food drive, and the organized the Parent Appreciation Program which kicked off Catholic Schools Week. We've updated and boosted our recycling and conservation programs, and we are now preparing for several activities for Heart Health month in February.

For National School Choice Week, Student Council created spirit days and activities to boost student involvement and appreciation for have the freedom to choose what kind of education they receive.

On January 27, we coordinated a scavenger hunt and the parent appreciation program. Because of everyone who volunteered the previous day at Bulldog Pride Day, the playground and hallways were very clean and presentable. We thank you!

This month was been a busy one for Student Council. I am thankful to be running such a great student organization!

Sincerely,  
**Grayson Young**

## STUCO INFO AT A GLANCE

### **Souperbowl**

Student Council set a goal to collect 1,500 pounds of food for our drive. Thanks to everyone's participation, we've surpassed that! Before we donate the food to the food bank, we'd like to open up our collections to families who were directly affected by the government shut down. You can stop by the cafeteria on Friday after noon dismissal to pick up necessities.

### **Tubes for Teachers**

We have a collection station on the first floor for toilet paper and paper towel rolls. We want to recycle the tubes for teachers to use in the classroom for projects!

### **Heart Health Month**

Our DASH committee (Drug, Alcohol, Safety, and Health Awareness) Committee will spearhead a series of heart activities throughout the month of February. Please be on the lookout!

# NATIONAL JUNIOR HONOR SOCIETY

**Elizabeth Drago**  
NJHS PRESIDENT

Dear SACBS community:

NJHS would like to remind you to keep submitting nominations for the St. Mother Teresa of Calcutta award. Anyone may nominate students, teachers, and faculty who are deserving of this award.

On the side column of this page are the qualifications to be accepted into NJHS. Being on NJHS takes a lot of hard work and dedication along with high expectations regarding academics. To be qualified as a candidate for National Junior Honor Society you must have a combined average of a 95 or higher in all number grade subjects. You may not have a conduct grade lower than a S. NJHS members must maintain this to remain a member of this organization.

Sincerely,  
**Elizabeth Drago**

YEARBOOK EDITOR-IN-CHIEF

Dear SACBS community:

Hey everyone! January has gone by so fast with so many great events such as: the Mother-Son Dance, Bulldog Pride Day, School Choice Week, and Catholic Schools Week – just to name a few.

With many great events comes many great pictures. We have made sure to be there, so that these memories can be captured and recorded.

Along with recording photos, we are getting started on telling our stories for the school year. Our staff is working hard to set up interviews with club advisors, and students who are involved around the school.

We have had a great year so far with many amazing photo opportunities. I can't wait to see what is to come in February.

Sincerely,  
**Kathryn Barboza**
